

K-LOVE radio serves me because it is the radio station I most often listen to. At home or in the car, I find K-LOVE to be an uplifting and possitive influence on my attitude every day. If K-LOVE were replaced by an LPFM station, many people in my community who listen to K-LOVE really would have a sadder day. Please consider allowing K-LOVE to keep its signals on the air. Many people would be left without the bright happiness we receive when listening to K-LOVE. Thank you.
